

**How do You Make a Movie? K-5, Middle School**

To Start Making a Movie:

- Write down your whole story
- Gather people in places for you to visualize
- Gather People to capture and record your story, Then Say **Action!**
- Review what you captured, change what you don't like

**What Made You Decide to Make Movies?**

Movies Are Made To:

- To Preserve Stories and Information
- To Bring Far Away Places and People Close to You
- To Show the Audience How Much People Are Alike

**What Do You Like Most About Making Movies? . . . Telling Stories with Movies:**

- Can make everyone smarter and wiser
  - Can also change how the audience feels (sad, happy, scared, confident)
- Remember a picture is worth 1,000 words*

**How do You Feel when you are Finished Making a Movie? . . . . Making a Movie is:**

- Time Consuming
- Filled with Many responsibilities
- Creative, Fun and Rewarding

**What Should Kids Know if They Want to Make a Movie too?**

Make sure that you:

- Create a Character that Everyone Likes
- Create an Exciting Problem for the Character to see
- Have your Character Solve the Problem
